An Instagram post from the account mca2India (@mca2india). The post features a logo for 'PM Internship' with the tagline 'LEARN FROM THE BEST'. The logo includes a stylized orange 'i' and a blue 'M'. The background of the post is a blurred image of the Indian national flag. At the bottom of the post, there is an Instagram watermark.

From every corner of India to Delhi—where strangers become friends, every voice is heard, and every story matters.

Guided by a shared vision and inspired by a brighter future, PMIS Interns come together to make our 79th Independence Day truly memorable.

Events Gallery

A photograph showing a group of nine people, likely PMIS interns, seated around a long wooden conference table. In the foreground, two young women are prominent: one on the left wearing a white shirt and another on the right wearing a pink sequined top. Behind them, several other individuals are seated, including men and women in both formal and semi-formal attire. The setting appears to be a professional meeting room with a large window in the background.

Explore Opportunities in various Sectors

Retail & Consumer Durables

A portrait of a smiling man with dark hair and a beard, wearing a white t-shirt. He is holding a teal-colored yoga mat in front of him. In the background, there are other people, suggesting a fitness or yoga class setting.

Sports

A worker wearing a yellow high-visibility vest and a blue hard hat is working on a utility pole. The worker is positioned on a lattice boom lift, reaching up towards the top of the pole. The background shows a clear blue sky.

Telecom

A wide-angle photograph of a large industrial textile factory. The scene is dominated by numerous large, colorful cylindrical spools of yarn or fabric, arranged in rows. The colors include bright red, orange, yellow, green, blue, and pink. In the background, several workers in blue uniforms are visible, some standing near the machinery. The factory floor is made of concrete, and the ceiling is high with an intricate network of steel beams, pipes, and large industrial lights.
